SPECIAL ABILITIES

Animal Companion Lini's snow leopard animal companion, Droogami, has the following statistics:

Size Small; **AC** 17; **hp** 11; **Fort** +4, **Ref** +8, **Will** +1; **Speed** 50 ft.; **Melee** bite +7 (1d4+1 plus trip), 2 claws +7 (1d2+1); **Str** 12, **Dex** 21, **Con** 13,

Animal Friend Lini gains a +1 trait bonus on Will saving throws while an animal is within 30 feet.

Spell-Like Abilities Because she's a gnome, Lini can use four spell-like abilities, each once per day. For full spell descriptions, see Chapter 10 of the *Pathfinder RPG Core Rulebook*.

Dancing Lights: Creates torches or other lights.

Ghost Sound: Create illusory sounds.

Prestidigitation: Perform minor magical tricks.

Speak with Animals: Allows the caster to talk to animals for 1 minute.

Spells Lini can cast the following spells she has memorized. For full spell descriptions for these and other spells she can prepare, see Chapter 10 of the *Pathfinder RPG Core Rulebook*.

Detect magic: Detects all spells and magic items within a 60-foot cone.

Entangle: Plants in a 40-foot-radius area within 440 feet of Lini entangle creatures that fail their Reflex saving throws (DC 14). This lasts for 1 minute, and makes the area difficult terrain. Any creature that moves into the area must immediately attempt a saving throw; any creature that succeeds at a saving throw against *entangle* but remains in the area must attempt another saving throw at the end of each of Lini's turns.

Goodberry: This spell makes 2d4 fresh berries magical. When eaten, they provide nourishment like a full meal and cure 1 point of damage.

Know Direction: The caster instantly knows which direction is north.

Resistance: Grants one creatures touched a +1 bonus on saving throws.

Spontaneous Casting Lini can exchange any prepared spell that is not an orison for a *summon nature's ally* spell of the same spell level or lower as she casts the spell.

Wild Empathy Lini can improve the attitude of an animal using wild empathy (like how using Diplomacy works with people). Her bonus on this check is +3. She can try influencing a magical beast with an Intelligence score of 1 or 2, but takes a –4 penalty.

Lini always had a way with wild creatures. More than once, her enclave was threatened by some great bear or razor-clawed cat, yet each time she soothed the beast and sent it on its way. The snow leopard Droogami was the first animal to threaten her, but Lini beseeched the cat to help her instead, and they quickly became companions. In the years since her departure from the Lands of the Linnorm Kings, Lini has collected more than a dozen sticks—one from each forest she has visited. These sticks are a road map of her experiences, and each holds a wealth of memories for the gnome druid.

“Yes, Droogami, they do seem friendly. But let me know if you smell trouble.”

SPECIAL ABILITIES

Wild Shape Once per day, Lini can turn herself into a Small or Medium animal and back again, like the *beast shape I* spell (*Pathfinder RPG Core Rulebook* 247). This lasts 4 hours or until she changes back.

Changing to or back from an animal is a standard action that doesn't provoke attacks of opportunity. Lini can't speak while using wild shape, but can communicate with animals of the same general type.

Animal Companion Lini's snow leopard animal companion, Droogami, has the following statistics:

Size Medium; **AC** 18; **hp** 26; **Fort** +6, **Ref** +9, **Will** +2; **Defensive**

Animal Friend Lini gains a +1 trait bonus on Will saving throws while an animal is within 30 feet.

Natural Spell While using wild shape, Lini can complete the verbal and somatic components of spells, and use material components or focuses that are melded into her form.

Spontaneous Casting Lini can exchange any prepared spell that is not an orison for a *summon nature's ally* spell of the same spell level or lower as she casts the spell.

Trackless Step Lini leaves no trail in natural surroundings and can't be tracked.

Wild Empathy Lini can improve the attitude of an animal using wild empathy (like how using Diplomacy works with people). Her bonus on this check is +7. She can try influencing a magical beast with an Intelligence score of 1 or 2, but takes a –4 penalty.

Woodland Stride Lini can move through nonmagical undergrowth at normal speed and without taking damage.

SPECIAL ABILITIES

Animal Friend Lini gains a +1 trait bonus on Will saving throws while an animal is within 30 feet.

Augment Summoning Each creature Lini conjures with any *summon* spell gains a +4 enhancement bonus to Strength and Constitution.

Natural Spell While using wild shape, Lini can complete the verbal and somatic components of spells, and use material components or focuses that are melded into her form.

Spontaneous Casting Lini can exchange any prepared spell that is not an orison for a *summon nature's ally* spell of the same spell level or lower as she casts the spell.

Trackless Step Lini leaves no trail in natural surroundings and can't be tracked.

Wild Empathy Lini can improve the attitude of an animal using wild empathy (like how using Diplomacy works with people). Her bonus on this check is +10. She can try influencing a magical beast with an Intelligence score of 1 or 2, but takes a –4 penalty.
